Thank you:

On Monday, April 20, Gillie Bishop (Brynn's mom) brought the Moon Madness unit from the Museum of Nature and Science. The children had lots of fun while learning about the moon and space exploration. Thanks, Gillie.

Remember, our school is peanut free! Please do not send peanuts or peanut products for snacks or lunch. If you need a "safe snack" list, please come by the office.

Fundraiser update:

Thanks to all who purchased flowers for our spring fundraiser. We raised \$540 for our staff to take college classes this summer.

CAP

Presentation at UCB

The preschool will once again host the Front Range Child Assault Prevention Project. CAP seeks to prevent child assault by training children to recognize and deal with potentially dangerous situations. The parent presentation is May 18th 6:30 PM and the children's workshops are May 19 (Pre-K only).

More details to follow.

Surveys will be sent home this month to gather feedback about our school. In-house surveys will be sent home next week. CDE surveys will be sent after that. Those surveys will be used by the State to help improve services and supports throughout the state. Please take the time to do these surveys. Thanks.

Snow Days—If BVSD is off due to extreme weather, we will be as well. Please watch local news channels for closures. We will, also, change our voice-mail greeting. Please feel free to call for an announcement.
